Post Graduate

Slow Performers and Advanced Learners

Protocols for Student Assessment

1. Tutorials every 30 days
2. Internal assessments yearly
3. Mentoring sessions every month

Criteria for Identification of Slow Performer

Those who get less than 50% in Assessment

Criteria for Identification of Advance Learner

Those who get more than 75% in Assessment

Special Program for Slow Performers

1. Extra classes by faculty on Friday 4 to 5 pm
2. Seminars Case presentations alternate Saturdays 5 to 6pm
3. Assignment given at the end of each session which is to be submitted on Mondays
4. Question banks of university papers are distributed and assessed later.
5. During mentoring sessions guidance is also provided by their mentors.
6. Guest lectures every year on communication skills, personality development, time management and motivational sessions.
7. Skill development clubs arrange workshops with hands-on session to improve students skill. With the active participation of advanced learners as coordinators both set of students get benefited.

Special Program for Advanced Learners

1. High performing students are identified on the basis of internal assessment, university examination, involvement in academics.
2. Students are encouraged to be members of professional bodies like ISA and organize technical events.
3. Encouraged to participate in group discussions journal reading and quiz competitions
4. Students are also provided opportunities of participating in state and national conferences
5. Bright and diligent students are motivated and inspired to get university ranks.
6. Students are encouraged to take up competitive exams like DNB, DM, fellowship programs IDCCM, FIPM
