Policy Midcourse Improvement

Following are policies adopted by the department of Psychiatry as per the guidelines of the academic board for midcourse improvement.

If marks obtained by the student for internal assessment are less than 50 % then following actions may be initiated as a part of MID –COURSE improvement

- a) Counselling must be done by Mentor
- b) Course content shall be discussed to identify weak areas of students
- c) Previous years university question papers to be made available to the students
- d) Information regarding Teaching notes, ppts, videos etc./access to the e-course or e-content to be given to the students.
- e) If needed Remedial lectures shall be scheduled.
- f) Teacher may decide type of assignments to be given to students.
- g) Question bank for MCQ, SAQ and LAQ may be given for practice.
- h) Subject seminars in special topics may be planned for such students.
- i) Simulation based learning /bedside learning etc may be arranged to enhance the performance.
- j) Tests may be rescheduled and performance will be considered for MID Course improvement
- k) The performance in this mid-course improvement is considered for final outcome.
