### IMPORTANT EXAMINATION CIRCULAR NO. 18 /2021 (UNDER GRADUATE SECTION)

To,  
All Dean  
Affiliated Medical College.

**Sub: Internal Assessment examinations of II MBBS students (admitted in 2019).**

Sir / Madam,

Please refer the syllabi of subjects mentioned in following table, which are available on MUHS website. Internal assessment in these subjects is to be conducted for the phase-2 MBBS students (II MBBS batch, admission year 2019).

The detailed schedule of the internal assessment examinations for these subjects is provided in the syllabi of respective subjects, available on MUHS website.

The original schedule is prepared, considering the NMC schedule of starting of each phase. However for this year, due to late commencement of phase-2 and due to ongoing covid pandemic, the provided schedule has been delayed and many of these IA examinations are pending.

All Dean's are hereby requested to conduct the pending internal assessment examinations, as soon as possible. The revised schedule of such internal assessment examinations for phase-2 MBBS students can be decided by the Dean, considering the local situation and COVID related guidelines by local authorities.

Following are the details of internal assessment examinations to be conducted for phase-2 MBBS students (II MBBS students, admitted batch 2019)

\* Internal assessment no. 2 & 3 for community medicine.

(Two practical examinations for Community Medicine, first in mid posting and second at end of posting. For details, please refer the syllabus.)

The practical examination in Psychiatry, Respiratory Medicine, DVL, Orthopedics and Radiology are to be conducted at the end of respective clinical postings. For details, please refer internal examination schedule available in General Medicine / General Surgery Curriculum, as the case may be.

If practical internal examinations (end of posting) in any subject are not conducted due to any reason, at the end of scheduled practical postings, then such pending practical examinations in clinical subjects can be conducted along with next clinical batch or any other suitable time.

For further details of examination pattern / mark distribution of these internal assessment examinations, please refer the respective curriculum available on website.
