

**Department of Biochemistry**  
(Seminar/Conference/workshop attended)  
(Jan 2022 onwards)

Sr. No.	Name of the faculty	Conference/workshop attended	Date
1.	DrNemade S.T.	Workshop on writing a research synopsis	25/1/22
		DikshaIgot online course -PPE Donning and doffing	1/2/22
		DikshaIgot online course-Biomedical waste management	1/2/22
		DikshaIgot online course-Proning for self care	1/2/22
		DikshaIgot online course-Boost your immunity	3/2/22
		DikshaIgot online course-Quarantine and isolation2022	8/2/22
		Online CME-Measurement uncertainty in Laboratory Testing	17/2/22
		webinar- Establishing a Simulation Lab: Top Tips for setting up and sustaining a Sim Center	24/2/22
		CDE- Caho on epigenetics-a new frontier for cancer management	25/2/22
		CME on "Endocrine Function Tests"	26/2/22
		CME-Liver metabolics and disorders	26/2/22
		Webinar titled "Fluorosis & Genetic Disease: A Missing Link"	14/3/22
		CME- "Close the Care Gap	12/3/22
		Seminar "Financial Wellness Enhancement	24th and 26th February 22
		Webinar on liquid based cytology	19/3/22
		CME and workshop -Molecular genetics and primer designing	26/3/22
		14 Days ME Induction Course	1/7/22 to 15/7/22
		CME- Cancer genetics and screening	12/7/22
		CME- HbA1c methodology,standardization,and current status of measurement	13/7/22
		Cracking clinical cases with analytical chemistry	20/7/22
		IMA State conference	23rd and 24th July 2022
		CME- Translational medicine from bench to benchside	28/7/22
		NPTEL- Scientific writing in Health Research	July 2022
		AMSCON IMA Conference	23&24 July 2022
		BCLS-Lifecon workshop	3/8/22 to 4/8/22
		Webinar - "Liquid Biopsy: A Novel diagnostic tool for tumors"	04/08/2022
		Webinar- "Fluoride as a risk factor for Preeclampsia"	17/08/22
		Webinar-Haematology Histogram &Scattergram Interpretations- A Complete Learning	25/08/22
		Virtual National Webinar on "Diabetes mellitus: Epigenetics to biochemistry of a Global Pandemic	21/09/22
		CME- SIX SIGMA Metrics : Role in ensuring and enhancing Quality in Clinical Biochemistry"	22/09/22
		'APB-iCON 2022	30/9/22 to 1/10/22
		National webinar"Iodine deficiency: Basic versus Translational Research"	18/10/22
		CME cum workshop Innovations IPR Policy &Patents-making the best still better	21/10/22

		National webinar“Lessons from the Pandemic”	09/11/2022
		CME-Advancement in laboratory sciences	18/11/22
		BMSeCON 2022	17/11/22 to 19/11/22
		4th National Simulcon Conference	10/12/22 to 11/12/22
		National Webinar titled “Color Reactions: Recent Trends in POCT”	15/12/22
		Symposium 2nd international health and research convention	21/01/23
		National workshop“Fluoride Estimation in Biological Specimens”	08/03/2023
		CME-Basic infertility evaluation-corelation with ultrasound and hormone assay	24/03/23
		CME-Empowering heart health -a focus on lipid profile	09/04/2023
		International Hybrid CME-New Horizons of CRISPR- Cas	12/04/2023
		Webinar- Biochemistry Updates	28/04/23
		CME-Stem cell therapy for Neurodegenerative Diseases	14/06/2023
2.	MrsAhire N.B.	NPTEL-BCBR	3/1/22
		DikshaIgot online course -PPE Donning and doffing	19/2/22
		DikshaIgot online course-Biomedical waste management	25/2/22
		DikshaIgot online course-Proneing for self care	20/2/22
		DikshaIgot online course-Quarantine and isolation2022	20/2/22
		DikshaIgot -Nutrition in Children admitted with covid 19	26/2/22
		14 Days ME Induction Course	1/7/22 to 15/7/22
		CME- SIX SIGMA Metrics : Role in ensuring and enhancing Quality in Clinical Biochemistry”	22/09/22
		‘APB-iCON 2022	30/9/22 to 1/10/22
		CME cum workshop Innovations IPR Policy &Patents-making the best still better	21/10/22
		Poster presentation at Avishkar-MUHS	19/12/22
		International Hybrid CME-New Horizons of CRISPR- Cas	12/04/2023
		CME-Stem cell therapy for Neurodegenerative Diseases	14/06/2023
3.	DrPathak R.N	Workshop on writing a research synopsis	25/1/22
		DikshaIgot online course -PPE Donning and doffing	14/2/22
		DikshaIgot online course-Proneing for self care	14/2/22
		Seminar “Financial Wellness Enhancement	24th and 26th February 22
		14 Days ME Induction Course	1/7/22 to 15/7/22
		Virtual National Webinar on “Diabetes mellitus: Epigenetics to biochemistry of a Global Pandemic	21/09/22
		CME- SIX SIGMA Metrics : Role in ensuring and enhancing Quality in Clinical Biochemistry”	22/09/22
		‘APB-iCON 2022	30/9/22 to 1/10/22
		National webinar“Iodine deficiency: Basic versus Translational Research”	18/10/22
		CME cum workshop Innovations IPR Policy &Patents-making the best still better	21/10/22
		CME-Advancement in laboratory sciences	18/11/22
		BMSeCON 2022	17/11/22 TO 19/11/22
		National Webinar titled “Color Reactions: Recent Trends in POCT”	15/12/22
		NPTEL -Scientific writing in health research	January 23
		Webinar-Learning by reflection	24/02/23

		National workshop“Fluoride Estimation in Biological Specimens”	08/03/2023
		CME-Basic infertility evaluation-corelation with ultrasound and hormone assay	24/03/23
		International Hybrid CME-New Horizons of CRISPR- Cas	12/04/2023
		Webinar- Biochemistry Updates	28/04/23
		CME-Stem cell therapy for Neurodegenerative Diseases	14/06/2023
4.	Dr Wankhade S.D.	DikshaIgot online course -PPE Donning and doffing	7/2/22
		DikshaIgot online course-Proning for self care	7/2/22
		DikshaIgot online course-Quarantine and isolation2022	8/2/22
		Online CME-Measurement uncertainty in Laboratory Testing	17/2/22
		CME on “Endocrine Function Tests”	26/2/22
		CME- “Close the Care Gap	12/3/22
		Seminar “Financial Wellness Enhancement	24th and 26th February 22
		Webinar on liquid based cytology	19/3/22
		CME and workshop -Molecular genetics and primer designing	26/3/22
		CME-Current Trends in Cancer Biology”	11/5/22
		14 Days ME Induction Course	1/7/22 to 15/7/22
		Workshop- Basics in cancer patient care	2/7/22
		NPTEL Enhancing Soft Skills and Personality	Feb-Apr 22
		Workshop- Six sigma internal quality control in clinical laboratory	20/4/22
		RBCW&AETCOM	28/11/22 TO 30/11/22
		BCLS-Lifecon workshop	3/8/22 to 4/8/22
		CME on “Artificial Intelligence- Role in Health care and Clinical diagnostics”	16/09/22
		Virtual National Webinar on “Diabetes mellitus: Epigenetics to biochemistry of a Global Pandemic	21/09/22
		CME- SIX SIGMA Metrics : Role in ensuring and enhancing Quality in Clinical Biochemistry”	22/09/22
		‘APB-iCON 2022	30/9/22 to 1/10/22
		CME-Advancement in laboratory sciences	18/11/22
		BMSECON 2022	17/11/22 TO 19/11/22
		Webinar-Learning by reflection	24/02/23
		National workshop“Fluoride Estimation in Biological Specimens”	08/03/2023
		CME-Basic infertility evaluation-corelation with ultrasound and hormone assay	24/03/23
		Webinar- Biochemistry Updates	28/04/23
		NPTEL -Scientific writing in health research	April 23
5.	MrNitinBagal	NPTEL-BCBR	January 2022
		14 Days ME Induction Course	1/7/22 to 15/7/22
		‘APB-iCON 2022	30/9/22 to 1/10/22

**Professor & HOD,  
Department of Biochemistry.**
