

To,

The Head of Department
Respiratory Medicine
Dr Vasant Rao Pawar Medical College
Nashik.

Date: 29.04.26

Sub: Testimonial for Dept. of Respiratory Medicine

Respected Maam,

I, Dr Aanchal S. Malik, [MD, DNB Respiratory Medicine] did my MD from Dr VPMCH & RC Nashik from 2022-2025. During this period I have learnt a lot and did procedures including pleural tapping, ICD insertion, Intubation, central line, Bronchoscopy sleep study. I express my sincere gratitude and appreciation for the invaluable training and guidance I received during my training from all the faculties. My time here has been both professionally enriching & personally transformative.

I take immense pride in being associated with this department & will always carry forward the knowledge, values & skills imparted to me. Thanking everyone once again for all the support and guidance.

Aanchal

Yours sincerely
Dr Aanchal S. Malik
