Subject: Testimonial for Department of Respiratory Medicine

Respected Sir/Ma'am,

I, Dr. Mandar Shinde, [M.D. Respiratory Medicine], completed my PG training at Dr. Vasant Rao Pawar Medical College, Nashik, during 2022-2025.

During this period, I received comprehensive clinical exposure & hands-on training in managing a wide range of respiratory conditions, along with experience in key procedures such as pleural interventions, bronchoscopy, airway management & sleep-related assessments.

I sincerely appreciate the guidance, mentorship & academic support provided by the faculty, which significantly contributed to my clinical skills & professional development. I am grateful for the opportunity to be associated with this esteemed department & will carry forward the knowledge & values gained during my training.

Thanking You.

Yours sincerely,
Dr. Mandar Shinde
[M.D. Respiratory Medicine]
